

PlacementOS
— KNOW YOUR PLACEMENT READINESS —

TERMS AND CONDITIONS

Effective date: 27 June 2026

Please read these Terms before accessing or using PlacementOS.

These Terms and Conditions ("Terms") form a binding agreement between you and the operator of PlacementOS ("PlacementOS", "we", "us", or "our") and govern your access to the PlacementOS website, applications, APIs, and related services (collectively, the "Platform"). By creating an account or using the Platform, you confirm that you have read, understood, and agree to these Terms.

1. Eligibility and Accounts

You must be legally capable of entering into these Terms and provide accurate, current information. You are responsible for safeguarding credentials, maintaining account confidentiality, and all activity performed through your account. Notify PlacementOS promptly of suspected unauthorized access. We may require email verification or third-party authentication before enabling features.

2. Platform Purpose and Acceptable Use

PlacementOS provides placement-preparation tools, including DSA tracking, resume workflows, interview replay and analysis, readiness scoring, daily planning, roadmaps, and notifications. You must not misuse the Platform, probe or disrupt its security, upload malicious code, scrape data without permission, impersonate others, infringe rights, or use the Platform for unlawful, deceptive, abusive, or harmful activity.

3. AI, Readiness Scores, and Career Disclaimer

AI-generated analysis, suggestions, scores, plans, transcripts, and recommendations are informational tools only. They may be incomplete, inaccurate, or unsuitable for a particular role. PlacementOS does not guarantee employment, interview selection, examination results, salary, or career outcomes. You remain responsible for reviewing outputs, protecting confidential information, and making independent academic and career decisions.

4. User Content and Permissions

You retain ownership of resumes, notes, interview audio, transcripts, profile information, and other material you submit ("User Content"). You grant PlacementOS a limited, worldwide, non-exclusive licence to host, process, transmit, reproduce, and display User Content solely as needed to operate, secure, improve, and support the Platform. You represent that you have all rights and consents required to submit such content, including consent from any recorded participant where applicable.

5. Privacy, Security, and Third-Party Services

Use of the Platform is also subject to the applicable privacy notice. PlacementOS may use infrastructure and service providers for databases, cloud storage, authentication, email, analytics, notifications, and AI processing. Third-party services are governed by their own terms and policies. Although reasonable safeguards are applied, no system is completely secure; do not submit unnecessary secrets, passwords, government identifiers, or highly sensitive third-party information.

6. Intellectual Property

The Platform, including its software, interfaces, branding, workflows, documentation, and original content, is owned by or licensed to PlacementOS and protected by applicable intellectual-property laws. Except for the limited right to use the Platform under these Terms, no rights are transferred to you. Feedback may be used without restriction or compensation, provided it does not disclose your confidential information.

7. Availability, Changes, and Suspension

Features may be added, modified, limited, or discontinued. Maintenance, provider failures, capacity limits, security events, or circumstances beyond our control may interrupt service. We may suspend or terminate access where needed to protect users, enforce these Terms, comply with law, address non-payment, or prevent harm. You may stop using the Platform at any time and request account deletion through the available support channel.

8. Disclaimers and Limitation of Liability

To the maximum extent permitted by law, the Platform is provided "as is" and "as available" without warranties of accuracy, uninterrupted operation, fitness for a particular purpose, or non-infringement. PlacementOS will not be liable for indirect, incidental, special, consequential, exemplary, or loss-of-opportunity damages, including lost data, profits, interviews, employment, or reputation. Any aggregate liability will be limited to the amount paid by you for the Platform during the preceding twelve months, or the minimum amount permitted by applicable law.

9. Changes, Governing Terms, and Contact

We may update these Terms by posting a revised version and effective date. Continued use after the effective date constitutes acceptance, except where additional consent is legally required. Mandatory consumer rights and laws remain unaffected. Questions, legal notices, or account requests should be submitted through the official support or contact channel displayed within PlacementOS.

Acceptance: By selecting "I agree", creating an account, or continuing to use PlacementOS, you acknowledge that you accept these Terms.
